See the world in a new light.

Our newest ship, *Silver Ray*, continues to be a guiding light in our new voyage collection. Following a sun-kissed season in the Caribbean, she heads to the Mediterranean to spend the summer of 2025 on a series of voyages illuminating the region's medieval cities, mouthwatering cuisine, and history that dates back for centuries. Thanks to her asymmetrical design, you'll enjoy wide open spaces and breathtaking views of your destination everywhere you look.
